Dear Dreamer,

This is a special book just for you! Use it to draw and write about the dreams that grow inside your heart. Some of your dreams might be for when you're older. For example, I wanted to be a teacher when I was little. Other dreams can be for right now. Maybe you want to learn more about manatees. Have fun and use your imagination. Add details, lots of colors and words to paint a picture of all that you wish for and more!

Every dream must begin in your mind. When you think about it, picture it and feel excited! The more you practice this, the closer you get to making your dreams come true. Also, you can cut out the pages in this book and post them in places where you will see them often. Perhaps you hang one by your bed or desk. That will make you think about your dreams everyday!

My wish for you is to dream big! Remember the magic is in you.

Love,

Becky
